## Berrinba East State School Attendance Policy 2019

Berrinba East State School is committed to providing an inclusive, supportive learning environment for all students to succeed regardless of circumstance.

To do this, Berrinba East State School's Attendance Policy promotes four key messages:

- All children should be enrolled at school and attend every school day *#youvegot5*
- Schools should monitor, communicate and implement strategies to improve regular school attendance
- Attendance at school is the responsibility of parents, carers and everyone in the community
- Planning for the improvement of individual attendance will be collaborative with parents, students, external agencies and community, including the enforcement of parent's obligations to enrol and attend school every school day.

Berrinba East State School expects all students to be at school learning all day, every school day. Our attendance policy aims to ensure all students are given the best opportunity to learn by outlining the responsibilities of the school, parents and students in managing attendance issues.
